BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 1987-223-E

In the Matter of:

Investigation of Integrated Resource)	PROGRESS ENERGY
Planning in SC - 2010)	CAROLINAS, INC.'S MOTION
)	FOR EXTENSION OF TIME TO
)	FILE ITS BIENNIAL
)	INTEGRATED RESOURCE PLAN

Pursuant to South Carolina Public Service Commission ("the Commission") Rule 103-829, Progress Energy Carolinas, Inc. ("PEC") moves the Commission for an extension of time until September 12, 2010 to file its Biennial Integrated Resource Plan. In support thereof, PEC shows the following:

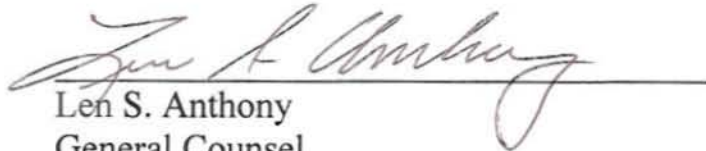

There are many dynamic variables impacting the development of PEC's 2010 Integrated Resource Plan. These variables include but are not limited to: natural gas price forecasts; the impact of the Environmental Protection Agency's new Clean Air Transport Rule; and federal efforts regarding greenhouse gas regulation. As a result, PEC simply needs additional time to evaluate these and other issues, before finalizing its 2010 Integrated Resource Plan. Therefore, PEC

moves the Commission to grant it an extension of time until September 12, 2010 to file its Biennial Integrated Resource Plan.

WHEREFORE, PEC moves the Commission to grant it an extension of time until September 12, 2010 to file its Biennial Integrated Resource Plan.

Respectfully submitted, this 23rd day of August, 2010.

PROGRESS ENERGY CAROLINAS, INC.
